Irene Thompson (she/her),

Interim Vice-Provost (Student Affairs)

Tungasugitsi. Binvinu.

It’s my privilege to welcome you to the University of Guelph and the Gryphon family. I encourage you to connect with the Indigenous Student Centre (ISC) team to learn more about the services and opportunities available to you as a First Nations, Inuit or Métis student. We are inspired by our Gryphon family and I hope that you will find a sense of belonging in spaces where you can strengthen and share your culture with the campus community. U of G is a place of learning for everyone; students, faculty, and staff alike, and we look forward to learning and growing together with you. We are proud of our beautiful campus community and our home city of Guelph, a vibrant community with many unique opportunities. I hope you explore all that our campus and our city have to offer.

It’s an exciting time at U of G. We formally adopted Bi-Naagwad | It Comes Into View, our Indigenous Initiatives Strategy in March 2021, and for the next several years, people across the University will come together to put the Strategy into action. I encourage you to review Bi-Naagwad, and if it inspires you, I invite you to connect with the ISC team to learn about the ways you can contribute to U of G’s work towards decolonization and reconciliation with First Nations, Inuit, and Métis peoples, communities, and lands.

I wish you the very best in your studies and your personal journey as a Gryphon.

The University of Guelph campuses reside on the traditional lands of the Hodinohso:ni and Anishinaabe and the treaty lands of the Mississaugas of the Credit. We uphold the significance of the Dish with One Spoon Convenant and the continuing relationships our Indigenous neighbours have with this land. We are committed to working towards decolonization and reconciliation with Indigenous peoples and enhancing the engagement of and supports for First Nations, Métis and Inuit students.
Meet The Indigenous Student Centre (ISC) Team

We’re available to support your individual needs and to connect you to U of G resources when you need them. We can’t wait to meet you!

The Indigenous Student Centre was a great support for me throughout my time at U of G, and it gave me a home away from home. The supports that the Centre and the staff provided me greatly benefitted my growth as a student, as a member of my community, and as an individual in society. The staff helped me a lot throughout my journey at U of G.

One day, while preparing to leave the Indigenous Student Centre, I was wearing very sparkly pink shoes. A friend joked, referring to the Wizard of Oz, that if I clicked my heels together three times, I could go back home. I said that I probably wouldn’t go anywhere - the ISC has become my home!
